Feedback Analysis Report

(2019-2020)

The feedback plays central role in self assessment of the duties and responsibilities of the Institute and concern elements of the students also it most essential in the improvement of smooth functioning of teaching- learning process and overall development of the Institute. The feedback committee of four persons Mr. V. D. Patil (Chairman), Mr. S. B. Dhanle (Member), Mr. N. A. Ghule (Member)and Dr. L.C .Nemade (Member) was continued under the kind guidance of Hon. Principal Dr. P. V. Dalal .In the first meeting of committee Hon. Principal Dr. P.V. Dalal IQAC Coordinator Dr. S.R. Chaudhari and Voice Principal Dr. V. B. Suryavanshi have given their valuable guidelines about what type of feedback are required, questionnaires included in the feedback forms which strategies should be adopted in taking the feedback and how we have to analyse it. The feedback committee have decided to take seven types of feedbacks 1 Students satisfactory Survey 2 Students feedback on curriculum.3Teachers feedback on curriculum. 4 Students feedback on facilities provided by the Institute.5 Evaluation of teachers by students.6 Aluminise feedbacks.7Parents feedback. They also decided to use both online and offline methods to collect the feedbacks. In second meeting the prescribed feedback forms are finalised by Hon. Principal and IQAC Co-ordinator. After collection of feedback responses under the guidance of Hon. Principal the feedback analysis report is prepared.

We all four persons of the committee are tried to work with best of our capacity. We pay our big gratitude to Hon. Principal Prof. Dr. P. V. Dalal, IQAC Coordinator Dr. S.R. Chaudhari for their time to time guidelines. We have great pleasure in submitting this report to the Institute.

Survey and Observations:-

❖ Students feedback on curriculum :-

This feedback is taken on the aspects like enhancement of employability of curriculum designed, relevance of course contents, enhancement of the knowledge and life skills through the course, completion of syllabus within time, updating of the knowledge of teachers, field visits and study tours, extracurricular and co curricular ,internal evaluation process ,availability of study material and e-sources.

Here committee find that more than 85% students are agreed that curriculum is designed so as to enhance their employability. 88% students are satisfied about relevance of the course content with respective time. 90% students are agreed with the enhancement of the knowledge and life skills during the course, 81%v students say that the syllabus is completed within the time. According to 95% student's teacher's knowledge about subject is updated.90% students are satisfied about encouragement by teachers for extracurricular activities.81% students says that internal evaluation process is good.90 % students are satisfied about availability of study materials. As compare to above aspects less no. of means only 68% students are satisfied about field visits and study tours. Here we have to highlight that near about 80% students are very satisfied about effective delivery of curriculum and usefulness of course contents.

Suggestions

1. The committee suggest that the Institute have to arrange more field visits and study tours.
2. E books and e-recourses should be amplified.

Students Feedback on College

This feedback is taken on the various facilities provided by institute to student cooperation and help obtain from teaching and non teaching staff internal evaluation system security provided by college requirements and needs of students. Here committee find that almost 87% students are satisfied by the co operation and help from the teaching and non teaching staff almost all of them are very satisfied about the facilities provided by the institute few no of students are not satisfied about cleanness in class rooms, greenery in the campus, clean drinking water and maintenance and toilets and washrooms.92.1% students are happy about the library facilities.86%students are says that teaching process is excellent. Commonly acquiring suggestions from students are about canteen, Xerox facility and clean drinking water in the college.

Suggestions:-

- 1) Here committee suggest that the institute should improve the facility about clean drinking water.
- 2) The institute here to start Xerox facility for students.
- 3) If possible canteen should be started in the college campus.
